My Reflection

Words and Music by: Brian Ferger © 2025

I want to live my life each day, with a humble heart that give You praise
but what do they see in my life, is it full of pride and full of strife

Oh my reflection, does it show your direction
and my protection, how about Your perfection
in my reflection

Our journey takes us through trials, stretching our faith and it feels like miles
walking with family and His Son, through His Word we can overcome

Oh my reflection, does it show your direction
and my protection, how about Your perfection
in my reflection

So my heart will be in prayer, and show my neighbor that I care
to be a man who overcomes, with a Father proud to see His Son

through my reflection, walking in His protection
following His direction, showing His perfection
through my reflection, walking in His protection
following His direction, showing His perfection
in my reflection
